## ACQUIRED BRAIN INJURY PROGRAM

### Program

The program provides transitional community integration services for up to 15 children and youth with Acquired Brain Injuries who live within Saskatoon and area.

### Services

\* Flexible, individualised planning

\* Outreach-based support after school, during evenings and weekends, and during the summer.

### Participants

Participation is voluntary, and requires that participants:

\* Be referred by family, self, schools or the ABI Outreach Teams

\* Have an acquired brain injury

\* Are enrolled in a school within the Saskatoon and area school divisions

\* Are between 6-22 years of age

Intake is continuous, and is provided on a first-come first-serve basis.

## YOUTH COMPANION PROGRAM

### Program

The intent of this program is to provide one to one companions for high school aged youth with a disability before and after school, on early dismissal days and during the summer months.

Parents are able to remain at work or school knowing that their

children are well cared for.

### Services

\* Hire, screen and train potential youth companions

\* Connect qualified caregivers with families in need

\* Support the families and companions and

assist with individualized plans

### Participants

\* Referrals made by families, schools or other agencies

\* Have a cognitive or intellectual disability

\* Are between 13-22 years of age
