Skill Enhancement

Radius Skill Enhancement is a 4 week program where you will determine your strengths and develop skills through workshops and community involvement.

Workshops

Workshops are based on the world of work and will help you understand, develop and manage personal skills such as:

- ✓ Communications
- ✓ Decision Making
- ✓ Problem Solving
- ✓ Personal Assessments
- ✓ Teamwork
- ✓ Healthy Lifestyles

Portfolio Development

We will help you organize and highlight your skills, strengths and achievements in a professional document.

Connecting to Community

As a participant, you will connect to the Saskatoon community through a variety of ways:

- ✓ Field trips
- ✓ Access to resources
- ✓ Community speakers
- ✓ Volunteer activities
